As career-long MSEA member, I know the value of a strong Association. I have been a building rep, director, treasurer, VP, and now president in my local Association. Being an MSEA delegate to the NEA RA is another valuable role I can play in the Association. Thank you for your vote.

As an active member, I seek to represent our Association at the annual NEA RA. It is vital that the RA adopt policies and take actions that help students and educators succeed. I want to use my experience as an association leader to help guide NEA in ways that make a difference in our classrooms.

After my first delegation for MSEA, I would love the opportunity to network and to gain valuable information for Maryland public schools at the 2018 NEA RA. Let my representation be your voice! Thank you!

Being a lifetime learner has been a personal goal of mine and I hope to continue that as an MSEA Delegate at the NEA Convention. The knowledge that I gain from the past conventions help me to build on for the future at the state level of MSEA and also at my local WCTA level.
