

# CALL FOR PROPOSALS

MSEA Convention 2014 Workshops • October 17-18, 2014

Thousands of Maryland teachers and education support professionals attend MSEA's annual convention and workshops in Ocean City.

MSEA is seeking presenters for workshops about relevant and timely education issues in the classroom and at the worksite.

Share your proven best practices, strategies for student and educator success, and innovative ideas with teachers and support professionals from across the state.

**Workshop may include:**

- Common Core Across the Curriculum
- Student Learning Objectives (SLOs)
- Anti-Bullying
- Classroom Management

- Closing the Achievement Gaps/Cultural Competency
- STEM—Science, Technology, Engineering, and Math
- Special Education
- Skills for Educational Support Professionals
- Tips for New Teachers

Here's how you can become a presenter at MSEA's Convention 2014:
