For 42 years I have served as a special education teacher and now as a substitute teacher. I have experienced all facets of what you face each day. I understand your needs in the classroom. The future of our nation rests with the decisions that are made for our children. I can be your voice!

I served on the RAC when we were working to extend MSEA benefits to Retired. After some revisions, our goal has been reached. I am anxious to serve, once again, so that I can continue to represent retired members and to be their advocate when issues, that affect us, arise.

I ask for your vote to continue to represent you at the national level. As Chair of the MSEA Retired Advisory Council I bring a knowledgeable perspective to the issues being considered. Having been in the classroom I can understand the challenges. Let me represent you. Vote Phyllis Parks Robinson.
