Racial and Social Justice in Our Schools

These workshops focus on cultivating a culture of equity, safety, and social-emotional learning in the classroom and other education settings. Learn what it means to be an anti-racist educator, to have courageous conversations about race, and to use the power of community to fight racism.

Q & A: National Board Certification

Learn what it takes to become a National Board Certified Teacher and ask questions of a National Board Certified Teacher who has been there. You will also discover the ways National Board Certification improves your professional practice and standing.

Self-Care and Trauma Aware Classrooms

These are stressful times. Our students need healthy, trauma-informed educators now more than ever. Learn about caring for ourselves and supporting students during these difficult and unprecedented times.

Personal Growth and Empowerment

These workshops encourage personal and professional learning, reflection, and advocacy to make you a stronger, more confident educator. Expect strategies, resources, and expert advice at each session.
