

How We Endorse Our Candidates

Your Local Endorsement Process

An Even Higher Bar for Statewide Candidates

- MSEA invites statewide candidates to complete a questionnaire and recorded interview.
- MSEA shares candidate interviews and questionnaires online with members and Representative Assembly (RA) delegates.
- A majority vote of MSEA's Endorsement Council sends candidate recommendations to the RA.
- Delegates review candidate records, listen to speeches, and vote on the recommendations. A candidate must receive 58% of the delegates' votes for endorsement.
