

**Veronica HENDERSON**  
**Position: ESP**  
**Local Association: ESPBC**

Osiyo! I'm Veronica Henderson asking you to elect me as your next MSEA Treasurer. My years of actively supporting public education issues, educators, and students are well documented. The current Treasurer made history by becoming the first Education Support Professional ever to serve as an MSEA Officer, proving that ESPs can function as such. The Treasurer need not be a CPA or accountant but must be able to instill confidence and articulate that members' dues are being handled in a fiscally responsible manner, and that expenditures mirror the Association's strategic objectives. None of us have money to burn, and all of us "work hard for the money". I am a voice for the voiceless and give you my word that I will be fiscally responsible with your hard-earned dues. Again, Veronica Henderson, currently serving on your MSEA Board, asking you to elect me as your next MSEA Treasurer. Wado!

---

**Colleen Morris**  
**Position: Teacher**  
**Local Association: HCEA (Howard)**

My name is Colleen Morris, and I am asking for your vote for MSEA Treasurer. I am currently serving educators as the president of the merged local HCEA and advocating for all educators on the MSEA board. We have brought over 1M in grants to HCEA and as state treasurer I will ensure all locals take advantage of possible grants. On the MSEA board I have been engaged in both setting policy and the budget. These committees are aligned with my passions because I believe your priorities are seen by looking at where you spend both your time and money. Our greatest responsibility is the management of your dues. If you elect me, I will ensure that we continue to do our best allocating dues to your priorities as well as look for other avenues of funding to help both our locals and State. Vote Colleen Morris for MSEA Treasurer.

**Kimberly Sloane**  
**Position: Teacher**  
**Local Association: ACEA**

I have long been influenced by the words of Gandhi: "You must be the change you wish to see in the world." As a second career educator, I planned to be a secondary social studies teacher for 20 years then retire, but quickly realized that the needs of our students and fellow members are great. This realization and philosophy compelled me to answer the call to leadership in my local. I have served as a building representative, executive director, Certificated Vice President, and am now serving in my fifth year as President of the merged ACEA. Additionally, I have served on the MSEA delegation's budget committee at the NEA RA since 2018, and am a current member of the MSEA Budget Committee. This valuable experience will help ensure that the needs of both the state and locals will be considered in our budget. Please vote Kimberly Sloane for MSEA Treasurer.
