Workshop Schedule

FRIDAY, OCTOBER 20 | 9:00 A.M. – 1:25 P.M.

2023 MSEA CONVENTION

Convention workshops are free and open to members of MSEA.

Building an Instructional Toolkit

Workshops focus on the resources and techniques educators need to engage students and improve academic achievement using practical, tactile, and real-world strategies. Get inspired with content that addresses the challenges you face in your classroom every day.

Social Justice in Our Schools

These workshops focus on cultivating a culture of equity, safety, and social-emotional learning in the classroom and other education settings. Learn what it means to be an anti-racist educator, to have courageous conversations about race, and to use the power of community to fight racism.

Trauma-Aware Classrooms

These are stressful times, and our students need trauma-informed educators now more than ever. We can best help our students when we know how to care for ourselves. Learn how you can bring this gift to your classrooms and about caring for ourselves and supporting students during this difficult time.

Personal Growth and Empowerment

These workshops encourage personal and professional learning, reflection, and advocacy to make you a stronger, more confident educator. Expect strategies, resources, and expert advice at each session.

Technology in Our Profession

These workshops will help education professionals get and stay current with technology and how it affects our students and our work.

For credit, consult with your local certification/staff development/human relations department before attending.

To receive a MSEA Certificate of Attendance, participants must log into the workshop within the first five minutes of the presentation, stay for its entirety, and complete the session feedback rating for each workshop attended.
