## **Pam Gaddy**

**Position: Teacher**

**Local Association: TABCO**

The honor of being able to attend the RA enables me as an educator and a parent of a high schooler. Each year I learn and I grow and after 27 years, I'm still growing in my profession as a HS social studies teacher and a mentor for those coming to fight WITH the association.

## **Jennie (Jean) Milstien**

**Position: ESP**

**Local Association: ESPBC**

As a 7th-year paraeducator serving as an ESPBC Director, you can find me commenting at board of education meetings talking about ESP workload and special education funding. "The union" is not separate from its members. If you want to see something happen, speak up, speak out, and be the voice you want to hear.
