

MSEA Board of Directors (Region 4) Candidate:

Russell Leone

Position: Teacher

Local Association: TAAAC

Regional representation is essential to strengthening our union as a whole. I believe this so deeply, I advocated for this in two workgroups leading up to this MSEA change. Regional representatives also carry a responsibility to understand how our regions are interconnected and impacted by the success and struggles of others. While I am running for a position as a regional director, I understand the importance of a global view to support our membership statewide. I bring this experience to this role having served as a local president (TAAAC), NEA Director, and now back on the front lines in the classroom as an elementary school educator. I ask for your vote to bring the Region 4 voice to the table while simultaneously advocating for members across Maryland. Please vote for Russell Leone for Region 4 MSEA Director.
